Day by day the news is changing and we understand this is a hard time for everyone. As our temporary “new normal” unfolds we want to make sure that our employees, customers, and the Greenwich community understands that we are listening and will do everything in our power to prevent the spread of COVID-19.

Meli-Melo and Bistro Versailles will be closed for in-house dining and increasing delivery hours and takeout capacity to provide you and your family with our delicious, high-quality meals during this unprecedented time. We will remain open during our usual business hours for takeout and you can visit our website to view our new delivery hours.

While we continue to stay positive, we think this is a great opportunity to come together (virtually) and stay connected to others in the local food and hospitality industry through technology. Thank you for your patronage, now is the time to work together and move through this crisis quickly and as safely as possible.

Sincerely, Marc & Evelyn + Staff
